Statement of Accomplishment

VENIAMIN NOVIKOV

HAS SUCCESSFULLY COMPLETED THE JOHNS HOPKINS UNIVERSITY'S OFFERING OF

$$\Sigma \frac{(O-E)^2}{E}$$

BOOTCAMP II

Mathematical Biostatistics Boot Camp 2

This class presents fundamental concepts in data analysis and statistical inference, focusing on 1 and 2 independent samples. Students having taken this class are able to summarize samples, perform relevant hypothesis tests and perform a collection of 2 sample comparisons.
